IMPACT FACTOR

Papers from every SGEM proceedings are indexed in Thomson Reuters, ISI Web of Science, Elsevier products - SCOPUS, Engineering Village/Compendex. We are voting member of CrossRef (DOI), partner of EBSCOHosts and ProQuest. It is our great pride that SGEM Conference Proceedings are indexed into the most popular and scientifically strong databases.

I was looking for a suitable conference, when I found this website (sgem.org). Above you can see the screenshot of it. After reading the description, I decided to take a part exactly in this conference.

This is a photo of Flamingo Grand Hotel (a place where the conference was held).

We saw SGEM banners everywhere , even on the beach.

This photo was taken in front of the Ara hall (after our oral presentation).

Closing cocktail party.
