

RESEARCH WEDNESDAY OF ALMATY MANAGEMENT UNIVERSITY

REPORT OF PARTICIPATION ON INTERNATIONAL CONFERENCE
INFORMATION PROCESSING AND
CONTROL ENGINEERING 2015
IN MOSCOW

Saparkhojayev N.P., PhD, Senior Lecturer of Almaty Management University

Outline/structure of the presentation

- Description of a conference
- Description and discussion of my research paper presented in this Conference
- Conclusion
- Questions, comments

Conference Information

The Name of the Conference: **2015 International Conference on Information Processing and Control Engineering (ICIPCE 2014)**, Bauman Moscow State Technical University, Russia, April 15-17, 2015.

Organized and sponsored by: Science and Engineering Institute (SCIEI), Bauman Moscow State Technical University, Russia, Nanjing University of Science & Technology, China, and Sino-Russian International Joint Laboratory of Intelligent Electro-mechanical System.

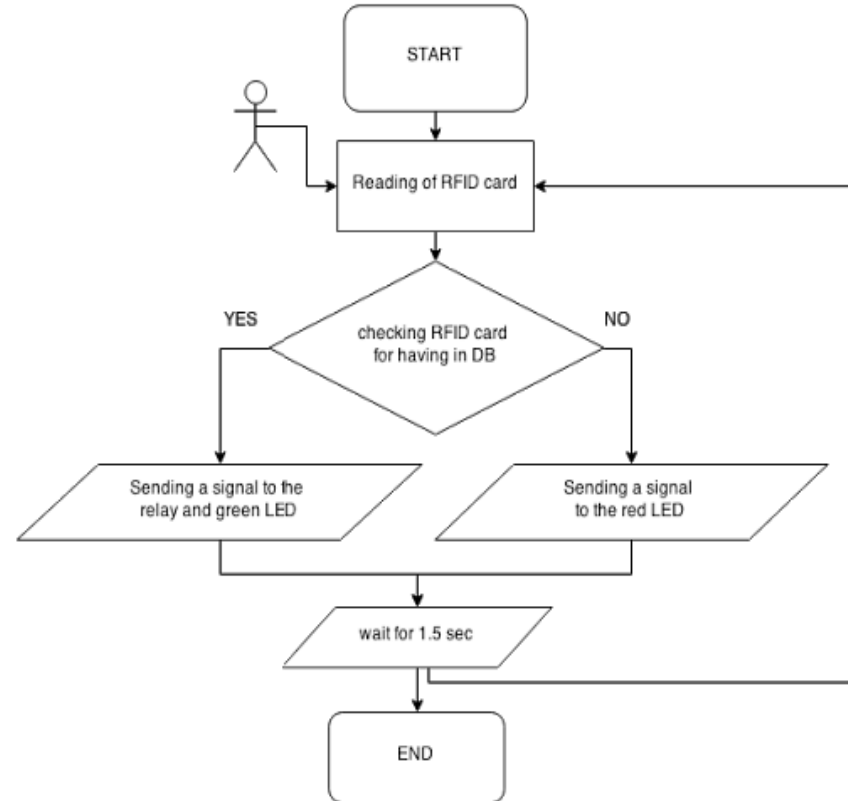

250 submissions from countries and regions so far, reviewed by international experts; the acceptance ratio is controlled below 40%.

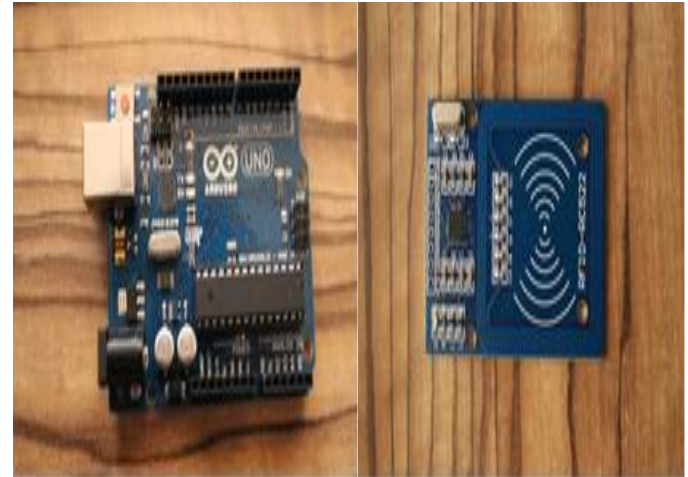

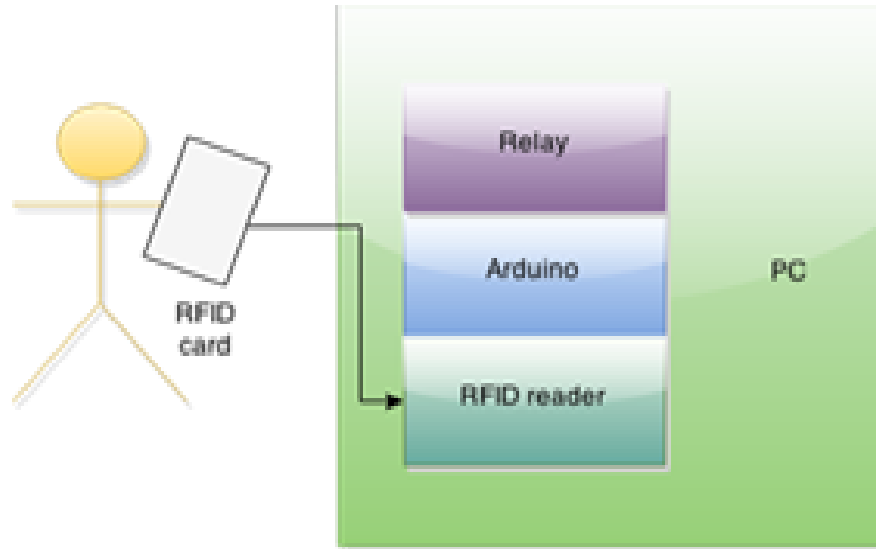

About my research paper

Title: Implementation of RFID - based Computer Access System (CAS) for Kazakhstani University

About how to control desktop computers located in labs with a help of RFID-cards.

How it works

Some nice photos

Conclusion

- Signed all the copyright forms for future indexing in Scopus;
- Had some significant ideas on which I will start working with Japanese professor
- Preparing some papers for upcoming conferences and ready to present them
- Also, working on mobile technologies
