

Health infrastructure facilities for students, academics and administrative staffs' wellbeing

Medical cabinet facilities

Almaty Management University provides first aid, health support for faculty, administration, students. A full-time physician is always on place during official office hours. The physician monitors the compliance of the university staff with officially stated health monitoring norms (general health state, fluorography, calendar vaccination). Any student or staff may come the medical cabinet to have a medical help, first aid or consultation.

Almaty Management University provides its staff (faculty and administration) with a health insurance. The employee may sign a voluntary medical insurance contract with HealthCity LLP (<https://www.healthcity.kz/>) for one calendar year. In 2021 year, conditions of medical care have been improved - now all employees with more than a year's work experience in AlmaU will be served under the Classic-2 package. The employees may attach family members, up to 3 family members (spouse, children from 1 to 18 years old) on a paid basis (Classic-2 - 30,000 tenge).

The university organizes quarterly trainings on first aid and jointly with the administration of Almaty conducts seismic trainings so that students and staff know how to behave in case of earthquakes.

First Aid Trainings
